

# Dance Specialisation

## **COURSES OFFERED: ADVANCED DIPLOMA, DIPLOMA AND CERTIFICATE IV OF CREATIVE ARTS IN CHRISTIAN MINISTRY, SPECIALISING IN CONTEMPORARY DANCE**

Dance is expression - joy, celebration, worship and reflection; a message unspoken, direct to the soul. In an age of music videos and large scale concert tours dance has returned to the forefront of the arts in the 21st Century. Let us shine a light within this sphere of influence.

Our Contemporary Dance course is designed to meet you where you are, to nurture and cultivate the gift of dance that God gave you, to develop you to the full potential of your gift, embracing the spirit, soul and body. It is taught by professional dancers with international dance experience in and outside the church, and a passion for the glory of God.

Where there is life, how can we not dance?
