

Freedom

Nikki Fletcher and Ryan Smith

If not for love
If not for grace
All the sin that You erased
I will always have reason to praise
It's not by strength
It's not by might
But by the cross I'm justified
Though all else falls away
Still I praise

It's for freedom that Christ has set us free
I live for You and not for me anymore
And Your mercy is new with every day
No longer will I forfeit grace
I'll follow You and live by faith

If not for love
Where would I be if not for love
If not for grace
Where would I be if not for grace

You have made a way for us
When You died upon the cross
