

Send Down Your Love

Written by Joe Pringle 2009

You are my fortress
You're my shield and sword
My hope in your strength Lord

I am not fearful
I am strong in faith
In you I found the way

I am waiting
I am ready
Come and fill me whole

Wont you send down your love
Send down your love
Send down your love on me

As we call out your name
We call out your name
We call out Yahweh

Oh Jesus, Jesus you are Lord
