

Well is my Soul

Verse 1

Well is my soul, My rest is in Thee
You are my shelter, triumph and peace
Christ is my treasure, Heaven my home
the voice that has called me, Your word is my hope

Chorus

Christ is risen in Christ I stand
Forever I'll praise You The Great I Am
Christ is with us Emmanuel
Highest Hosanna it is well

Verse 2

Well is my soul, all glory to Thee
Safe in Your shadow, alone You I seek
Your blood that has saved me, redemption's flow
You crowned us with mercy, Your rest in my soul

Chorus

Christ is risen in Christ I stand
Forever I'll praise You The Great I Am
Christ is with us Emmanuel
Highest Hosanna it is well

Christ is risen in Christ I stand
Forever I'll praise You The Great I Am
Christ is with us Emmanuel
Highest Hosanna it is well

Bridge

I see the crown through the suffering
I see the joy that forms my strength
I know The Son in the wilderness
and I know Thou has called me blessed

Chorus

Christ is risen in Christ I stand
Forever I'll praise You The Great I Am
Christ is with us Emmanuel
Highest Hosanna it is well

Christ is risen in Christ I stand
Forever I'll praise You The Great I Am
Christ is with us Emmanuel
Highest Hosanna it is well
