

Nothing But Jesus

Verse 1

A love never-ending
unfailing and gracious in all its ways
You humbled Yourself when you took my place
although I'm a sinner I'm saved

Verse 2

This love's overwhelming
revealed at the cross in one selfless act
You love me despite all my brokenness
although I'm a sinner I'm saved

Chorus

Nothing but Jesus
Nothing but Him
It's Christ that redeems us
The glory is His
I take off my crown
I throw down my pride
There's joy in my heart
coz my spirit's alive
